

Pastor Appreciation Love Offering

Our pastor is taking steps to improve their financial health – you can join them by participating in the Pastor Appreciation Love Offering!

The Church of the Nazarene will match **up to \$1,000** of the total donations our church collects to help our pastor reduce their student loans, personal debt, or contribute to their retirement savings.

Improving a pastor's personal financial health can:

- Free them from the burden of financial insecurity
- Empower them to be stronger leaders in stewardship
- Reduce marital conflict

This matching grant is available through The COMPASS Initiative in cooperation with Lilly Endowment, Inc.
